“ I work for one of Ms. Anita’s doctors. I don’t get attached to many patients but I loved Ms Anita and Mr John. Truly the sweetest people. I’m so glad that I got to see Ms Anita one week before she passed away. I know she is in heaven with Mr John.

“ Sweet, Rebecca, I did not know your mother well. But I know her wonderful daughter(you) and her fabulous grandchildren(your clan) and from that knowledge, I praise God for what He has done through your mom. She has touched this world on His behalf through her faithful walk with Him. And it is reflected in her offspring and the generations springing forth from all of you. I am sorry for your grief, but blessed to imagine what her situation is like now and forever more. Love you dearly and pray His peace will sustain you and very soon refresh your joy in Him and His provision for every detail.

“ Anita & I met in high school, became friends and we stayed in contact all these years! Our private joke was that she went to the Sr. Prom with my date because she & John had broken up just before it! Of course, they made up and were happily married for many years and were made for each other. I will miss her very much.

“ As you now rest in the arms of Jesus and are reunited with your loved ones who have gone before; your passing leaves such a hole in my heart. But in my faith I know that we will meet again and it will be a glorious day! Thank you for 66 years of loving, caring and a friendship that few are blessed with. We were 'sisters of the heart' and there for one another through each of life's joys and challenges. You were such a giver of joy wherever you went, and I will do my best to carry on spreading that joy. I thank God for bringing us together and now you must be my guardian angel till we meet again. Soar with the angels Anita! And sing with their beautiful chorus! I will always love you!
