“ Linda, I am so sorry for the loss of Aubrey. He was a good friend and will be sorely missed in my life and the neighborhood.

People like Aubrey don't come around very often and he was special. He would help anyone who asked and I never heard him complain. Joell said that she feels like a part of her childhood is now missing. I feel the same when I look down the street and no longer see him sitting in his chair.

If you need anything that I can give, don't hesitate to ask, you and Aubrey seem like family to me and Earlene.

“ Ms. Linda, Our deepest sympathy from the Vidrine family. As a child growing up you and Mr. Aubrey always welcomed me in your home. He took me fishing and shrimping, and treated me like a son. And the seafood cook outs were always amazing. So generous, so caring. Peace be with you, little Aubrey, and the entire family.

“ Mrs. Linda we are so sorry for your loss. Mr. Aubrey was a very kind and giving man. So many fond memories of spending time at your home! It seems like Friday nights were at your house often or maybe Saturday night with crabs and boil shrimp and then sitting in your living room and playing with Thumper:). May his sweet soul rest in peace!

“ Linda and family members of Aubrey. I am so sorry for your loss. May his soul Rest In Peace. Aubrey dearly loved his family and always wanted the best for them. He was an awesome cook. He made sure you would never leave his home hungry. His sense of humor would not allow anyone to be down very long. Aubrey will truly be missed by all. Sending love and prayers.
