“ Craig in Troy,

I I am deeply saddened to learn of your mother's passing. I'm so thankful I was able to speak to her these past few years on the phone. I last spoke to her on Mother's Day. She told me she was not doing well at all. She told me she was tired. She said not a day has gone by when her thoughts were not filled with ups and downs, good memories, difficult memories happy memories and sad memories. I too share the pain of losing a spouse. Uncle Gary was your dad's youngest brother. I still struggle and don't know how to live without him. One of the things I still laugh about is that when your mom and dad were dating they went to the drive-in show and Gary was with them in the backseat. They would give him money just to let him run to the concession stand so that they could be alone. In fact your dad also was bribed to pay Uncle Gary \$5 to stand in his wedding as the ring bearer. Your mother I was very proud of you both. Most of the time we talked about our children when we did talk. She loved her grandchildren more than life itself. I know that you both will love and miss your parents for the rest of your lives. I pray that you both will take solace in the knowledge that she will no longer have to suffer the Pains of this world. She has gone home to meet your father. The Bible tells us that there is not only life after death, but eternal life is so glorious that no eye has seen, nor ear has heard, and no mind has imagined what God has prepared for those who love him. I truly am sorry but she will no longer be with us here on Earth. But she will be remembered in my thoughts and my prayers.

Love Aunt Wanda Jennings
