“ Sandy and Family, I am very sadden to hear of the passing of Sonny. I have such fond memories. The Wednesday night touch football at the playgrounds. After the times at the Matador Lounge. His GTO that we all said we were helping him with. He will be missed but never forgotten.

Respectfully,
Lucien Delery

“ Sonny was the first manager that I reported to after my promotion during my BellSouth career. He became a mentor and friend to me, along with the others in our workgroup. A good caring man who understood that family is very important. My sincere condolences to his family.

“ To my dear friend Sandy and family as you all know Sonny and I were best of friends for many many years. But as life would have it we seemed to drift apart due to many bumps, twists and turns down the old yellow brick road. But we still remained friends, and Sonny was a true friend whom I will never forget. Lots of great memories were made . Hope he saves me a place and we can do a rerun of all the great times times we had.....

With all my love to the family
Kenny

“ My first memory of Sonny was during a parade at our house in Kenner. He put empty peanut shells on my pillow that I didn't see until I went to sleep that night. Needless to say, I was not a happy camper!
