“ I am so sorry for your loss. I worked with Fern in Mamou first as a fledgling LPN which was an experience since she helped to “train” me. She was always ready for a laugh but turned all business when needed. May she Rest In Peace .

“ I first met Fern when my mom (Ellen Chiasson) was moved to Ormond after breaking her hip. Fern was so sweet to my Mom....and my entire family. I always looked forward to seeing her on my trips to Ormond. As mom’s memory began to fade, Fern gave me her cell phone number... so I could call her to check on my mom. I’ll always be thankful for her kindness. I’ll miss her... and miss seeing her smiling face at the nursing home.
