“ Larry was without a doubt one of the best people I have ever met. He was generous with his time and energy and his smile. I worked with Larry for over 40 years and never once heard a bad thing about him. Everyone spoke very highly of him and he was loved by all. I will miss him every year at the Gold Tournament for Camp Challenge. He played golf with Paul Buckley and then would come back to the Chalet for the party. God Bless his family and may God help them in this time of healing.

“ I, too, knew Larry at the Hilton. Although it's been several years since I left, I remember his smile and his laugh--qualities I find especially pleasing. It's never easy losing a loved one, particularly a parent, but remembering the good times and knowing that they are no longer suffering on this earth helps ease the pain. My thoughts are with you.

“ Chantell, I know the grief that you are going through my love but you are so very blessed to have time with Dad. Your Mom is looking after you and always has darling and she is holding you in her arms. That void remains for many many years but Dad and Mom are in each other's arms again and both so loved by every step they took. The joy given to all of us just having them in our lives can never be forgotten and that joy comes out in you sweetheart. It's such a beautiful thing for a love one to pass joy and memories on to us and that joy is never forgotten for all the love and beautiful memories we will always treasure and no one can take that from you. Keep sharing what they loved most and continue to share their love as they smile and cradle you in their arms in your time of sorrows until we are all joined together once more. May GOD forever bless you and all those United in their hearts. Our deepest condolences for you and loved ones for all the beautiful blessings and memories they bestowed upon us. They are always in our prayers and you are in our heartfelt sorrows for such a great loss. Lawrence was a beautiful blessing many never get to know, and that is such an amazing gift a parent can give any child in their lifetime. Smile sweetheart and let them know the blessings they have given you, and let your tears wash away your sorrows just knowing how very blessed you were Peaceful beautiful dreams will follow, it takes time to wash away all your sorrows. It does come... in time. Lawrence was a beautiful person from the inside out and will peacefully be with you forever As you endure your pain we are eternally with you and your love ones. Many sweet dreams and blessings be eternally with you. Gale & John Baker

“ "A Man that had no equal."

My relationship spanned over 35 years and he taught me so much. I watched him handle some incredible situations. The Brightfield, Katrina, Corporate pressure. Sometimes so easily. He brought me through the Hurricanes of Life unscathed.

My "Go to Guy", My Best Golfing Buddy.

I told him Saturday, "Hold me a tee time, I'll see you again. I love you"
