“ Sending Prayers for my Aunt Lilly, who passed away on Monday, September 28, 2020. She was 91 years old. May God, my Father, my Grandparents and her son, Craig greet her with open arms into Heaven. Love you always, Aunt Lilly. Your memory will live in my heart forever. 🥹 Thank you for being my godmother, and for loving me and my family. I'm feeling blessed to have travelled and vacationed with you, and I will miss our phone calls, your beautiful smile, and your tight hugs.

“ Lily and I were first cousins on my father's side; our fathers were brothers and Uncle John was my godfather.
I remember Lily as a kind, loving person, a dedicated mother and daughter. Her willingness to care for her aged mother was a witness to us all.
One of my earlier memories of Lily was when as a young woman she was dating a man who would be her husband. They had a formal affair. Lily dressed at our house. I still remember her dress - beautiful green satin long dress. In the eyes of a 10 year old she was a princess!
When she and her husband asked me to be godmother to their first child, Kent, I was beside myself with joy. Perhaps I was a bit young to follow through on this responsibility but with maturity have kept him in my prayers even though we have moved on in our lives.
My prayers are with her family. I'm convinced she now lives in joy and happiness with her God and all those who have gone before her and saved a place for her at the banquet of the Lord. With so many of the Carrolls now in the afterlife, I'm sure my brother Ralph has organized a family reunion!
