“Randy I love you brother. We have been friends for almost 50 years maybe 48 or 49 years. I do believe it in my heart that you are where there are no shadows, at the Fathers house in Paradise, “it's a big, big house with lots and lots of rooms” for now. You should be feasting at the “big, big table with lots and lots of food, big, big yard where you Jim can play some football”. I believe you are surrounded by our Father and his Son Jesus our King and all of Their Shekinah glory. I love you and to one of my second families I am sorry that I did not know that Randall had passed and I am sorry I was not present at his services my loss to see my dear friend a last time. My brother-in-law just passed away on 11/8/18 and I was just there at L.A. Muhleisen & Son Funeral Home on Williams a month earlier on 11/13/18 for his services. My Brother-in-law was only 48 years young, unfortunately he left a wife and one small child my niece Baby J, Jayden who is seven years old, and two grown children who are in there mid to late 20's, Chrissa and Justin. My Dad also passed away 10/13/18 and that was a bad situation for me, He had abdominal pain got to the hospital and they operated and had a heart attack on the table and could not revive him so he was put on life support. We got the call about 2:00 am headed to Baton Rouge and the next day the pulled this big tub from his mouth that was keeping him alive and he held on for 25 minutes. That was a rough thing to watch, but the Doctors assured that he was not suffering. It sure looked like he was suffering the last 25 minutes of his life to me. It has been a not to festive season for me and I know not for you, I am sorry. I believe Big Jim, my Dad was waiting on Randy and grab him around the neck and said come on let me show you around, and they are telling tales about us. Jennifer I am so sorry I know Sherry and I haven't seen you in many years, and I haven't talked to or seen Randy in a year or so, the young children are what break my heart. RJ Jr. and Molly, Casey and Gary, and I have not had the pleasure of meeting the Grand Children. Lord Jesus please bless this family, especially the young children in Jesus' Mighty Name. Julie and Bob, Mike and Nell, and Tommy Kay and Craig and the rest of the family may God bless you. I know you lost a very good Dad, Granddad, Husband, Brother, Uncle, Cousin, and I lost a Brother-in Christ Jesus and a great friend that I loved and admired for a long time. Again family and friends I am sad Randy is gone and I will miss Him dearly, but there is good news he has gone home, R.I.P. your race is over, I love you, brother and will miss you dearly. Amen. Peace.
