“ There isn't a memory I can remember without laughing. Mrs. Sharon always made me laugh especially when she would tell the Joke about her Gay friend. She always knew how to make me smile and was my mom's best friend for 50 + years. I love you and you will truly be missed.

“ I was blessed to have you as my very best friend for over 50 years. You were the kindest and most generous person I ever met. When you walked into a room everyone knew the party was about to start. You were loved by so many people and have left countless funny memories in their hearts. You will truly be missed by everyone. I love you Sharon and will truly miss you. You will live in our hearts forever. Gay Herkender.
P.S. I'm OK with you sitting on top of my slot machine and bringing me some luck!

“ My dear loving sister I'm going to miss you so much. I'm going to miss talking to you almost every day. You were my miracle. You beat the odds last year when you were in ICU. I wish you could have beaten them this year but I know it was an uphill battle. Your spirit was willing but the body didn't have anymore strength to give. Just knowing you are not hurting anymore gives me strength to get thru this pain of losing you my best friend and dearest sister.
As stated in the Peace Prayer of St . France of Assisi "For it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life. Amen"
