“ Shirley was married to my father Jarrell Heard , for nearly ten years. Shirley was a wonderful companion and later on, a caregiver to my father , until his passing. She will be missed. We were all very happy for the time Shirley & dad shared.

“ Shirley is my mother-in-law and she will be missed. I loved her wit and humor. We had great times playing kings in corner and of course the slot machines. She was devoted to her family and had a welcoming smile for all. I loved how she was always dressed to go to a.y occasion.  
RIP young lady you will be sorely missed
