“ What a funny guy. We lived in the Valhalla East Apts in east NO at the same time. It would have been 1978-81. My Police partner, Bobby Nelson and I spent hours sailing with Joe in Lake Ponchartrain. Our job was to invite beautiful young ladies and Joe would show them off at the Yacht Harbor. Lots of fun. We also got involved in video cameras with him and shot a few weddings and sporting events. We never really got it going so we made any money, but had lots of fun. We all played tennis together also. I've always wondered where he was and would have loved to hook up with him. Our thoughts and prayers to his family and friends.

“ Hi Jim, this is Joe's daughter. Thank you for sharing that wonderful memory of Pops! Yes I loved going out on the Goslin with Dad. And the video days - he loved them too - thanks for being such a wonderful friend & partner in crime!
