“ I am sorry to hear about Wirt's passing. I know he will be truly missed by a lot of people. I have some great memories to hold onto like him teaching me the easiest way to pick out crabmeat at one of our crab boils at the bayhouse. I wish that I could hear some of the stories being told when Wirt and Jim Bletsch meet in heaven. I can hear them laughing already.

Your family is in my thoughts and prayers.

Sincerely  
Margaret Bletsch

“ I am so sorry to learn of Mr Ludwick's passing. He was my neighbor . I met him a few years ago because I had a very important piece of mail that was delivered to my address by mistake. He sure was glad to receive his Saints season tickets from me! My Dad and I will keep your family in our prayers. I remember seeing him in his front yard with his dog also. He was a good man.
