I will miss my Aunt Ada. I will always remember the summer she came to stay at my mom & dad's house in Elmont. My mom Rachel is Aunt Ada's sister. The first one of 17 children in Aunt Ada's family. It was so much fun and good conversation with Uncle Henry. Who explained his rings on his hands. Aunt Ada told me I "was a crazy girl". I just smiled a lot and laughed and joked with her. She got my jokes. She laughed along with me when no one else did. She got me! Her children, my first cousins, I may have never had the chance to meet face to face but we have remained in touch when our lives gives us a free minute. I know that she is with Uncle Henry. They were truly perfection together. A love for each other I admired when we met. The kindness together in their hearts. I know they are together on the other side. May God Bless their souls and let them be able to keep an eye on their children and grandchildren always. Love you all, your cousin Debbie Militano Osvatics
