“ Adam...wish I could turn time back to talk to you on the phone. Back to when we were kids. You meant most to me because you never looked down at me. I love that about you. First boy to make 12 yr old me have butterflies. I know I got on Ava nerves always calling and asking for you. You were always worth sneaking my aunty house phone to call you lol. When I got my cell phone. I called all the time in the summer. You always called me back. You really don't know how much impact you made on my little pre teen life. You being such a kind person to me when I had no other friends to talk to you were always there. Pisces always have good souls. You were a good soul. Everytime I spoke to Karee I asked about you. A real unforgettable soul you were. Rest well darling ❤️

“ I will never forget the first time I saw his sweet face. Six years old, quiet with a shy smile. You could see for such a young one, he was already wise to the world. For me, he will always be that sweet, shy little boy who shouldn't have been taken from us. RIP my sweet angel.
