

Adela Antonia Martinez

August 18, 1939 - January 16, 2024

Adela Antonia Martinez passed away peacefully in her daughter's home, surrounded by her loving family, on January 16, 2024, at the age of 84.

She was born in Honduras in 1939, to Maria Antonia Torres and Miguel Angel Ramos, and immigrated to the United States in 1966 with her mother-in-law, and four children to join her husband who had immigrated previously.

She was a pillar of strength, resourcefulness, and kindness to strangers. She taught herself to speak English and navigate the American way of life. She was a homemaker, lovingly dedicated to her children and home, and epitomized the essence of a caring and involved parent. She raised six children, often alone, while her husband was away months at a time working as a merchant seaman.

Her pride and joy was her family, followed by her love of crocheting, cooking, baking, and dancing. One of the proudest moments of her life, besides the births of her grandchildren, and great grandchildren, was becoming a naturalized US citizen at the age of 77. She was a warm and giving person, always putting the needs of others before her own. She collected used clothing to send to the needy families in Honduras, and crocheted baby shoes, and hats for their premature babies. She leaves behind a legacy of kindness that will be forever etched in the hearts of those who knew her.

She is predeceased by her husband of 52 years, Luis Alberto Martinez, Sr., her son, John Edward Martinez, and her six siblings. She is survived by her daughters, Elida Martinez (Roman) and Sandra Martinez-Gold (Jeff), sons,

Jorge Martinez (Rosalinda), Luis Alberto Martinez, Jr. (Diana), Glenn Martinez (Karla), her grandchildren, great grandchildren, nieces and nephews.

“ Adela Martinez was my foster Mother when I was in Honduras, she was friends with my biological Mother and her daughter Sandy told my Mom about me. She had the prettiest smile and the cutest laugh and I’ll miss the way she called me “Yimmy” when we would speak on the phone. She took such good care of me and I felt her love whether she was in Honduras, Florida, or Louisiana and I’ll feel her love forever and always. Adela Martinez thank you for being one of my many Mothers, and sleep in peace □ Jimmy Powell

“ In 1988 a stranger offered to help us find a baby to adopt and that is how we got to know Adela. We had known Sandy for a relatively short period when she overheard my wife telling someone we were considering a foreign adoption and Sandy jumped in and said Honduras would be a great place and that she was sure her mother would help. Within what I think was weeks Adela, again a complete stranger, found a mother at a shelter who was looking to give up her unborn child as she already had a son and no means to support them never mind a baby. Our story with Adela did not end there as she volunteered to be the foster mother for our son during the long adoption process. She took him into her home and treated him like her own grandson. It was amazing to witness. How many people do you know who would go to those lengths to help a friend of their daughters? If the world had more people like Adela it would be a better place. She had a generous loving soul that we will never forget. Part of that fierce loving soul was passed onto her daughter Sandy who started us on journey to adopt in Honduras. We will be forever grateful to Adela and Sandy for the gift of my son.
