“ *Daddy,*

You were an awesome father for the past 42 years to me, and a wonderful husband for the past 49 years. You will truly be missed but never forgotten. You are my angel now in heaven and I know you will be looking over me and my family. I know you will show me guidance and show me advice when I need it. I so dearly miss you already and I know it is going to be hard without you here. I love you daddy and I cannot wait to see you again. Daddy I am glad you are not suffering anymore and I know you held on as long as you could for us and daddy we love you for that, but it literally killed me to see you like that. I know you are in a better place now and I cannot wait to see you again. I love you daddy!!!!
