“ *A gift for your loved one who's in Heaven...
People are amazing creatures.*

*Even when your life is full of so much sorrow that you wake up
crying every morning,
You still have the ability to laugh and talk and act cheerfully while in
the presence of others.
It relieves everyone of worrying about you,
It allows you to have a moment of happiness.
Crying every day, laughing every day,
Either way it's your choice
But your loved one wants you to live a happy life...
Experience all the good things your loved one would have enjoyed.
You'll have tales to tell when you see him again
When you get to Heaven.*

Mr. Al will truly be missed!!
