“ *I will always remember the love you had for your family. You always had a smile on your face and making everyone laugh. You will be sadly missed by many but you are now with your true love no longer in pain. I know that you and Terry are already smiling at everyone and protecting them. Give Skeeter a kiss for me and may you rest in peace.*

“ my thoughts and prayers go out to the Stoker and Darr families in Loss of a wonderful mother, sister, Aunt, cousin and daughter. I remember the first time I met her was At Irene's house in St. Rose, i actually got to meet her entire family and fell in love with Her Aunt Beerta right away, she truly loved her family and her friends. Fly high with the Angels. I light a candle in her memory.

“ I'm so thankful Alberta & I went on vacation together in June of 2015. We were more like brother and sister than first cousins. We fought like it, but we also we loved like it.

I'll miss you the rest of my days on earth, Berta, but i have wonderful memories that no one can take away. You carved out a spot in my heart especially for you, and no one else could ever fill it! Until we meet again, pray for us all. You wanted to be with Terry so much, and your wish came true. Our grief is selfish, but I know you're happier than you've been since Terry moved on, but you're together again, and for that, we should all rejoice! All my love always! XOXO Jody

“ Alberta was the ONLY person to share Disney World with! Some of the best memories of my life were with her at Disney!! Thank you my friend, for the beautiful and happy times. Now it's your time to dance with the love of your life, without fear, pain, grief! Your beautiful boys will be taken care of by all who loved you and Terry. Rest easy, knowing that you two did an AMAZING job raising them and that they will live happy as you would want them to. The world will be a little less bright from now on and Disney will never be the same. Your contagious laughter and beautiful smile, which brightened many people's lives, will certainly be missed. REST IN THE PEACE OF HEAVEN SWEET ANGEL and watch over us all left behind! Fly high beautiful lady. FLY HIGH!
