“ *Phyllis*

I have just found out about this as I have been out of the state for sometime. I loved your mother and this has come to me as a shock. She will always be in my heart. I am so sorry that you lost her.

Love always

“ *My family and I send our sincere condolences to my Aunt Aline's family. We were especially sorry no one notified us, so that we could have attended and paid our respects at her funeral. My family visited my grandmother's gravesite and were shocked to see that Aunt Aline was buried there. May she rest in peace.*

“ *"ALINE" A very special friend to me. We shared so much time together. We talked on the phone almost every day. The thing I found to be true about Aline is that she loved people and they felt the same way about her. Kenny and I will really miss your Mother. She was very special to both of us. A true friendship that I will always treasure. My condolence to you Phyliss and to your family.*
