“ Carol:

My family and I extend our deepest and most sincere condolences to you and your family on the passing of your beloved Al. You, Al, and your family are in our thoughts and prayers during your time of sadness.

When I began coaching at Driftwood Playground in the mid 1970's, I was a rookie, never having coached before. I observed and studied all of the Driftwood coaches to develop some guidelines for my coaching. I observed several GOOD coaches, and some BAD coaches, but I only observed one GREAT coach - your Al.

Being impressed with Al and his coaching philosophy and techniques, I adopted them as my own. What limited success my teams and I were able to achieve was due primarily to Al.

I, certain that Al is already coaching some team for God, because I'm sure that Al is the caliber of coach that God would want to coach one of His teams. Al will be greatly missed.

“ Carol & Family--It is Wednesday night and Sonny and I just found out about Al's death. You know we would have been at the services if we would have known. There are so many memories of all of our good times in Driftwood--Sonny and Al spent many hours at the ball field--what good times they had! I can't begin to tell you what a positive influence he was on Allyson and Todd when he was their coach and friend. Carol--he was truly a good friend and we will miss him-even though we may not have seen him as often as we were able to when we were in Driftwood. We are there for you if you need us for anything. “ Jason, Julie and the Gaudet family, Rachel and I are truly sorry to hear of your Dad's passing. Although we never knew your dad I know he was a great guy by the past stories you all told at his service. Seeing the large number of people that came to the service told me a story of how many lives your father made better.

Love,
Barry and Rachel

“ Coach Al didn't just teach us all how to play ball but he also taught us how to live life, be good sportsmen and women, and to respect others. Al touched hundreds of lives through coaching and influenced many of us. If it wasn't for Coach Al I never would've ended up at Crescent City either. My condolences to Mrs. Carol, Allen, Stacey and all the rest of the family. You will be in our thoughts and prayers. Thank you Coach for all the memories and the genuine love and care you had for all of us. Rest in peace.

“ I will always remember walking toward the ball field at Galatas Playground and seeing Al with a big smile on his face. He treated me with kindness and made me feel so welcome. In this difficult time, I pray that God will surround all of you with His presence and to give you His peace.
