“ *Its was our first Christmas without you.. it was a lonng and emotional day for all of us.. it was one of the hardest struggles of my life. we all missed you today. Christmas was so different and hard.. but you was in our hearts and on our minds. I just wanted to let you know that i love you grandma! I know that u are in a better place, but i miss you everyday. you are always in my heart and on my mind. I will be graduating this year in May, i wish you could be there physically to see me walk across the stage and get th...e diplomia that i have earned for the last 12 years of my life.. But i know that u will be in my heart and there spiritually.. There are so many memories i have of you and i will hold them dearly in my heart til the day i die. Through our ups and downs you was always there for me and you helped me. There is so much that you have taught me and that i learned from you.. i just am so blessed to have had the time i had with you. I could never repay you for all that you have done but i am forever thankful and grateful that you was apart of my life. I just want to thank you for everthing you have done for me! This hurt will never heal but in time it will get better. and i know i will see you someday in heaven. I wonder what its like.. i guess ill find out one day. And i cant wait to meet my Creator and see you again.. i hope you are proud of me. i hope you stay by my side and watch me walk through life and I love you grandma and i miss you so much!*

“ Merry Christmas mom. It's our first Christmas without you and tomorrow will be 2 months since our Heavenly Father called you Home. Our Christmas was ok. We all thought of you and our hearts were with you. Oh how i wish you didn't have to go. I wish you could have stayed longer. The days go by so slowly without you. We all miss you and love you. Dad misses you the most and loves you so very much. We all are looking out for dad and each other. Just like how you are watching over us. There is still so many things going on in all of our lives. Like, Birthday's, Holidays, Graduations and much more. Your grandchildren are growing up and wanting you to see what we are doing and in your own way, we know that you watch over us and help us along the way. But, you are where you belong. You are with your Heavenly Father, an angel among angel's. Our hearts are broken, but they will mend in time. Our hearts hold on to you and all the precious memories you left with us. We love you mom and grandma. Have a Merry First Christmas with your Heavenly Father!

“ We were so sorry to hear of your loss. Our thoughts and prayers are with you in your time of grief. May your memories bring you comfort.
I hope this poem can help in easing your pain:

*To my dearest family, some things I'd like to say...
but first of all, to let you know, that I arrived okay.
I'm writing this from heaven. Here I dwell with God above.
Here, there's no more tears of sadness; here is just eternal love.*

*Please do not be unhappy just because I'm out of sight.
Remember that I'm with you every morning, noon and night.
That day I had to leave you when my life on earth was through,
God picked me up and hugged me and He said, "I welcome you."*

*It's good to have you back again; you were missed while you were gone.
As for your dearest family, they'll be here later on.
I need you here badly; you're part of my plan.
There's so much that we have to do, to help our mortal man.*

*God gave me a list of things, that he wished for me to do.
And foremost on the list, was to watch and care for you.
And when you lie in bed at night, the day's chores put to flight.
God and I are closest to you....in the middle of the night.*

*When you think of my life on earth, and all those loving years
because you are only human, they are bound to bring you tears.
But do not be afraid to cry; it does relieve the pain.
Remember there would be no flowers, unless there was some rain.*

*I wish that I could tell you all that God has planned.
But if I were to tell you, you wouldn't understand.
But one thing is for certain, though my life on earth is o'er.
I'm closer to you now, than I ever was before.*

*There are many rocky roads ahead of you and many hills to climb;
but together we can do it by taking one day at a time.
It was always my philosophy and I'd like it for you too...
that as you give unto the world, the world will give to you.*

*If you can help somebody who's in sorrow and pain,
then you can say to God at night....."My day was not in vain."
And now I am contented....that my life has been worthwhile,
knowing as I passed along the way, I made somebody smile.*

*So if you meet somebody who is sad and feeling low,
just lend a hand to pick him up, as on your way you go.*

*When you're walking down the street, and you've got me on your mind;
I'm walking in your footsteps only half a step behind.*

*And when it's time for you to go.... from that body to be free,
remember you're not going.....you're coming here to me.*

“ *As I think of Aunt Lynn there is not a memory of her where she does not have a
smile on her face. I remember a smiling, loving lady who loved her whole family. I
will forever remember you Aunt Lynn. I love you all and may the God of peace,
mercy and grace grant those to each of you. You are all in my heart and prayers. I
