“ Lay down, Your sweet and weary head.

The night is falling, You have come to journey's end.

Sleep now, And dream of the ones who came before.

They are calling, From across the distant shore.

Why do you weep?

What are these tears upon your face?

Soon you will see

All of your fears will pass away

Safe in my arms

You're only sleeping...

What can you see... On the horizon?

Why do the white gulls call?

Across the sea... .A pale moon rises.

White ships have come to carry you home

And all will turn, To silver glass...

A light on the water, All Souls pass.

Hope fades, Into the world of night.

Through shadows falling, Out of memory and time.

Don't say: We have come now to the end.

White shores are calling, You and I will meet again!

And you'll be here in my arms, Just sleeping.

What can you see, on the horizon?

Why do the white gulls call?

Across the see, a pale moon rises.

White ships have come to carry you home.

And all will turn, To silver glass.

A light on the water, Grey ships pass

Into the West
