“ *That's nice! My endearing memory of sweet Mandy pie are those two words - she may have been 10 and we were sitting at Mimi's dining room table and whatever I would say to her she would reply "that's nice" and I of course fell in love with her! I talked to Rand about Mandy and the story of "that's nice" and to this day we will on occasion look at each other and say "that's nice"! I love you Mandy pie and you are forever in my ❤️ heart.
