

## Amielyn "Amie" Cortez Melancon

March 18, 1983 - April 10, 2019

Amielyn "Amie" Cortez Melancon gained her angel wings on Wednesday, April 10, 2019 at the age of 36. She was born in Metairie, LA and was a life-long resident of Kenner, LA.

Amie was a sweet and loving soul, who tried to help and fix every living thing she could - family, friends, and even animals. She was also full of life - always, smiling, laughing, and cracking jokes. Amie had such a magnetic personality, that she was always making friends. We would joke about how she seemed to have a new best-friend every week. We are also proud to say that her generosity continues through her gifts of organ donation.

Amie was a proud alumnae of Archbishop Chapelle High School. She then studied dietetics and nutrition at Delgado Community College. Amie found many passions in life, often surprising us with various career ideas - dietetics, jewelry sales, health care, but most important to her was photography. She was a passionate and gifted photographer who could find the beauty in anything.

Above all else, family was the most important to Amie. She was an adoring wife of 15 years to Brett A. Melancon, and the devoted mother of Aubrey and Seth Melancon. Daughter of Lynn Lyncker Cortez and Eugene P. Cortez, Sr. Daughter-in-law of Judy and Jay Melancon. Sister of Stacey Duvall (Jerry, Sr.) and Eugene P. Cortez, Jr. (Brianne). Granddaughter of Theresa Franssen and the late Leo Lyncker and Claire and Leroy "Pops" Cortez. Auntie of Jerry Jr., Ashlyn, Madison, Megan, Hunter, Cole, Zachary and Blake. Also survived by

many loving aunts, uncles, cousins, and dear friends.

We would like to thank all emergency personnel and medical professionals who assisted Amie, as well as the Louisiana Organ Procurement Agency (LOPA) for helping us in sharing her gifts of life with others.

Forever Our Girl.

*We only knew Amie for a short time it she was easy to get to know, so it's hard to realize that our time with her was so short. Amie started her career at Telerecovery April16,2018.She and we had big plans for her to be pasty of staff long term. We are so saddened by her loss. Everyone in the office thought a lot of her and we all knew she could be counted ,she was a team player with a work ethic that was impressive. We are so sorry for her families loss of such a sweet ,caring girl. Our hearts and prayers go out to you all. Dollye and Ken Zezulka ,Telerecovery.*

“ I am so saddened to hear this devastating news. I have not seen Amie in forever but have kept in touch with her over the years. I had the privilege of spending my high school years at Chapelle with Amie. She was an absolute beauty, inside and out. She was kind to everyone with many friends and no enemies. Although high school is very cliquish, Amie did not let that stop her from being friends with everyone. We always enjoyed when she veered from her usual spot to sit at our lunch table — we’d be cracking up the whole time. I know that family was everything to Amie and that she meant so much to so many people. I give my deepest condolences to her family. Especially her children Aubrey and Seth. They need to know how much the Archbishop Chapelle Class of 2001 Chipmunks love and cherish their Mother. Here’s our 2001 Senior Prom group picture (the only picture that survived Katrina).

“ In the short few years I've known Aimee, I've grown to love her deeply and considered an extended family member. I was immediately drawn to her love and compassion for her family as well as everyone else. She was definitely beautiful inside and out. I will forever pray for her family and friends, as I know this is not going to be an easy thing to overcome. It is comforting to know a part of Aimee lives on in others because of her unselfish decision to be an organ donor. To think she has saved the lives of others is quite admirable. We will pray forever for her family and all others whose lives she touched. We will miss her dearly and look forward to seeing her again someday. Rest in Peace sweet Aimee... 🙏🙏💖💖

“ Many memories in the 20 years that I've known Amie. She was a blessing to my sister, Brianne, and that's how I was able to be blessed with her love and friendship. Amie was caring, giving and honest. I will forever cherish that about her. My condolences to her beautiful family. It is not easy to lose a beautiful soul from this earth.
