“ *Dear Barbara and family,
I was so sad when I heard the news of AJ's passing. We have lost a good man, and, a good friend. AJ, enjoy your eternal rest (with some duck hunting, also)!

“ *When I bought my house in 2006, AJ knocked on my door to introduce himself and he asked if he could continue to spray my house. I felt so comfortable with him being there! He was the nicest man and I loved listening to the stories he would tell about growing up and his family that he cared so deeply about. I missed seeing Mr. AJ each month. I will pray for his family during this sad time.*

“ I will forever remember the day I met “Dad”! He made me laugh every time we sat together! Ahhhhhh the conversations, the jokes, the good times! I may have only known him for a few years but it seems like forever! Immediately, we connected 😊
I am so heartbroken that we won't be able to share all of that anymore and I am missing you already, “Dad”. I look forward to your visits...don't make me wait too long, (insert secret word here...hehe!)
Thank you all for treating me as part of your family....I truly am blessed! I love y'all 💜

“ My dad Charlie Ovella loved your dad like a brother. AJ would stop for early coffee most mornings and reminisce about growing up. He took my dad frogging, hunting, and fishing which were treasured outings. When my dad got ill he visited him and that meant so much AJ always treated us smiling and kindly. He touched a lot of lives and will be dearly missed. Sympathy n prayers to Barbara and his family who he loved so much.

“ To my wonderful dad. You were the best father a girl could ask for. You are gone but will never be forgotten and I promise there won't be a day that goes by that I won't think of you and our wonderful memories together. Until we meet again and I can give you the biggest hug and lots of kisses. I LOVE YOU DAD!!! 💜
