I will miss you so much my Brave Beautiful Strong Friend. We have been through so much together including teaching, dressing up for Halloween, wonderful cruises and our trip to San Antonio. But the times I will remember most are the times when one or the other of us were battling BC (diagnostic tests, surgeries, chemo, hospital stays) and we still managed to have fun, laugh at the absurdities, and crack each other up! God put us in each other's paths for a reason! Until I see you again Warrior Queen...Love, Kat

“ Anita and I became fast friends. To know her was to love her. Anita shared a fierce love of family and friends, dedication to her vocation as special educator, and an insatiable appetite for good times. I will miss her dearly.
May GOD'S mercy be upon her and his strength and peace be with all who were touched by her life.
