“ *Anita was my dear friend at the Fitness Center pool from the time I joined. Always gracious and positive, we would sing harmony in the pool. Anita loved that I used my smartphone to look up lyrics, a composer's name, or some tidbits of news. She found it amazing that a phone was also a computer. I will carry her with love in my heart always for the light she brought to my world.*

“ *Nita was such a special friend of Mom's and always a joy to be around. Great memories with that Loyola crowd that stayed close friends over the years! Our love and prayers to Karen, Dean Paul, and Mark. May the Angels carry her to Paul.*
