“ *Dear Bobby and other members of the family,*

I recently started working with Jefferson Parish Schools as a Social Worker. Ann remembered me from past work experiences and was so warm and welcoming on several recent occasions. It was clear she was passionate about her job supporting and helping children. She will be greatly missed.

“ I am Ann's cousin on her mother's side. We spent many happy times playing kick-the-can and a game we made up called, "murder in the dark" when our two families got together. Ann was often the fearless and inventive game leader of our pack of cousins. Our games were never boring thanks to Ann! She loved animals, especially horses. When she was in her teens she saved her money and bought a young horse. I enjoyed accompanying her to the stables to care for it. We did not stay in touch but I'm so glad I saw her and hugged her last year. May she rest in peace.
