“ Very sad to hear about the loss of Shay. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Words, however kind, can't mend heartache, but those who care share the family's grief and wish comfort and peace of mind to the Laurent and Giglio Family. Shay will truly be missed by all.
