“ *Aunt Esperanza. I am very saddened to hear about uncle Anthony's passing. As a child I remember going to peeps'(Lopez) house and both of you would come and visit and even though we were not very close, I remember how nice you all were and you always hugged us. Just both very sweet nice people. And I also remember how nice you all were to us for my wedding. I am sorry I could not make the service. I just want you to know that I am very saddened and those memories I will never forget. One of the nicest men I've ever met uncle Anthony. Love Michael arbon (tommy's son)*
