“ Dear Margaret, Francesca and Joe,

Mr. Anthony (Pazi) was the nicest man on Earth. He was the most creative and best 80 year who had ever lived. He inspired me to do card tricks. I did mess up when I tried but that didn't matter. He was not like other people his age, he was more. He had a beautiful spirit which only he could have. He will always be a part of my heart and whenever I think about him I'll cry, (including now). He did die at an old age but he would always be like a 10 year old to me. He wouldn't remind me of anyone because he was like no one, and that is what made him special.

“ To Mr. Anthony's family-- My family and I are very sorry for your loss- we are praying for you during this difficult time . We will greatly miss Mr. Anthony. We enjoyed taking him to church this past Easter (he even gave my sister a "driving" lesson, which was a funny story) and used to love seeing him in the back pew at St. Stephens. He would always want my sister and I to give him his hello kiss. He also knew my father and mother, who grew up in the same neighborhood with him. He truly was a special and kind man. He (and his wife) and my mother can talk about the good old days while in heaven. May God Rest your soul.

Sincerely, The Taylor Family (Fred, Lisa and Vetter)
