“ Uncle AJ, how we miss you so. All I can hear is you saying , "What's up kid", as soon as Steve or I would walk in from work. I even remember you telling Steve that as soon as you felt better you would go to the gym with us! Everyday will be a challenge, but as long as we all help each other cope with the pain, we will soon be healed. I just want you to know how much we love you and will think of you everyday of our lives. I am so blessed that God gave you the strength to share Steve and I's special day together, I love you!
