“ *To Mr.Mark and children,*

My heart is heavy with grief to have learned of the passing of this amazing woman. I got the joy of meeting her some years back while working with Ashley. From the first time we met she welcomed be into her home with open arms and smiles. The love she had for you all was immense. She was truly a wonderful person, who was so proud of her family. I feel overwhelming blessed to have known her. My prayers and deepest sympathies are with you all as you learn to navigate this life without your rock. Love and support, Shari and Michael Bourgoyne
