

## Arthur Joseph Bouvier, Jr.

June 18, 1940 - March 22, 2024

Arthur Joseph Bouvier, Jr. (1940–2024)

Art died peacefully at his home in Metairie, surrounded by loved ones, on March 22, 2024, at the age of 83. Art was born in New Orleans in 1940 to Josephine and Arthur J. Bouvier, Sr. He graduated from Nicholls High School and earned his Engineering degree from Tulane University. Art worked for Boeing at NASA in Michoud, where he was part of the team that launched Apollo 11 in 1969. He later took over his father's electronics repair business, Bouvier Appliance. Art liked to know how things worked, and he could frequently be found tinkering with and troubleshooting electronics. Art was pre-deceased by his beloved wife of 52 years, Dianne, his parents, Josephine and Arthur J. Bouvier, Sr., and his brother, Fred. He is survived by his four children, Brian, Virginia, Michael, and Arthur J. Bouvier, III; his six grandchildren; his brother, Deane; and his feline companion, Janey.

The family would like to express its sincere appreciation for Art's loving care from his devoted caregivers, Carolyn and Richard, and the dedicated hospice care team, Koryn and Valerie of Care Associates.

Relatives and friends are invited to attend the Memorial Service at St. Jane de Chantal Church, 72040 Maple Street, Abita Springs, LA 70420 on Wednesday, April 10, 2024 at 1:00 p.m.
