

Arthur Richard Palmisano Sr.

September 20, 1932 - January 27, 2023

Throughout his life there was no obstacle that ever stopped our father when he put his mind to it.

January 27, 2023, after a full life and courageous fight, his body could no longer outlive his genius mind and will. He was 90 years young.

Arthur Richard Palmisano, Sr. graduated from Fortier High School and attended Louisiana State University. He retired from Western Electric after 30 years of service and later became a consultant for TELCOM.

In 1951 Arthur met his beautiful wife, Joan on a blind date arranged by his brother "Skeets". It was an introduction that created 71 years of marriage and three children. Joan was a devoted wife and cared for him unselfishly throughout his life and illness. She was at his side when he passed unexpectedly.

Arthur was the "go to" person for many friends and family members, particularly when it came to computers, construction and everything mechanical. He seemed to know how to fix anything. In fact one of his last remarks was, "I have this kidney thing all figured out to where I won't need dialysis anymore.." and given a little more time he just may have.

Preceded in death by his parents, Margaret and Emanuel Palmisano, Sr., brother, Emanuel (Skeets) Palmisano, Jr. and sister, Vilma Lively. He is

survived by his wife of 71 years, Joan Palmisano, his children; Arthur (Rick) Palmisano, Jr. (Angela), Judy Jones (Steve) and Linda Harvard; five grandsons, Shane Hutson, Christopher Palmisano, Jeffrey Hammack, Michael Palmisano and James Harvard; grand daughters, Allison Harvard Burke and Emily Harvard; great grandchildren, Finley and Luke Hammack and numerous nieces and nephews. He is also survived by his brother, Victor Palmisano.

Arthur will be dearly missed as well as his infamous catch phrase, "I feel FANTASTIC".

Relatives and friends are invited to attend a Celebration of His Life on Saturday, February 11, 2023 at 2:00 PM at Southshore Baptist Church, 2220 Transcontinental Dr., Metairie, LA.
