“ *My sincere condolences go out to Debbie. As well as the girls Angelina, Monique, and Jordan. Also aunt Sara that loved you so very much and who has taken this extremely hard. We are not all fortunate enough to have a such a close and loving family unit but you truly where one blessed with that precious gift. My heart goes out to the entire family. You left this world with love surrounding you. This isn't the end, your next journey has just begun. This isn't goodbye it's only till we meet again my dear friend. You and Debbie where there for me and my family when my mother made her journey and for that you both will forever have a place in my heart.*

*God bless
