“ *Dear Louis, So sorry to hear about Ms. Audrey's passing. I truly loved her and will miss her dearly. She and my Mamaw (Estelle Dumestre) were such different people but somehow had a great lifelong friendship. Oh how I miss hearing the telephone conversations with those two! She is now back in the arms of your Dad and I know that is very consoling. Thinking of you and praying for you and your family at this difficult time.*

“ Dear Louis,

I am so very sorry to hear of your loss. My mom and dad (Frances and Frank Tusa) lived nearby on Harding Street and were members of the Club in the late 1950s early 1960's. Picnics and card games in City Park. The Club would have pot luck parties and dances and how our parents always enjoyed them...a pretty relaxed time in those days. I remember how wonderfully nice your parents were as we visited them a number of times at their home when I was a kid.

Your mom and dad were kind, generous people and most proud of their son.

“ Our sympathies to the Gruntz family. I am truly saddened by Audrey's passing and will remember her saying my name, Laarie forever. She was the only one that could draw my name out like that and I loved hearing it. When I would come to visit and she would always raz me (in her loving way) about not having my ears pierced. On one visit we went to a mall and she talked me into having my ears done it at some earring shop. She held my hand the entire time saying, "Laarie it only stings for a second." She was right. I remember the time when I went crabbing with the Army gang men (I was maybe 9) and we brought the crabs back to their house and Louie put them in the boiling kettle of water outside and I started crying and Audrey put her arm around me and said its alright, Louie would make me lost bread. How I loved his lost bread! So many wonderful memories with them. She was a wonderful person and I will always remember her kindness, generosity and her beautiful laugh.
