“ *Candie, Becky, Toby
God Bless you and your family as Austin entered his eternal, perfect home with our Father. Your lovingcare and dedication to Austin these past years was remarkable and certainly will yield the endurance needed for your time here until reunited with him again in our Father's house. Faith and absolute TRUST IN A LOVING all knowing Father are the 'real things' that help through the pain. You know a part of him is always with you and can never be lost. Austin's influence on little Dominick, his family and the people he encountered will live on as an example of his good spirit of courage and strength. You have our sincere prayers. Liz & Klumpp family.*
