June 12, 1952 - March 25, 2021

Becky Dupre Avrard passed away on Thursday, March 25, 2021 at the age of 68. She was a native of New Orleans, LA and a resident of Metairie, LA.

Becky loved sports. She played basketball and volleyball through her school years and continued playing for the next 25 years. She was the best bowler in the family and enjoyed weekends at the camp, crabbing, skiing and going to the beach. She was an excellent cook and you would never get a bad meal at her house, including her gumbo which was the best around. She was known for her famous sweet tea. She enjoyed volunteering her time at Cleary Playground, for the Rummel Booster Club, and Jamboree's. She worked at Dennis Seafood for over 25 years.

She was a proud mother and Gram who would help anyone in need. Becky was a straight shooter. Those who knew her best, knew where she stood and if you didn't she would let you know. Becky lived a full life, and especially loved traveling with family on vacation and going on girl's trips to New York, Disney and Vegas.

“Gosh this whole time has been a blur! A big chunk of my heart is gone and the piece that’s left is especially broken for my dad but also for my brother and our kids! Mom was the best mom anyone could have! And that’s not cliché, I know a lot of people and moms and I always thought “wow! My mom’s awesome! How did I get so lucky? I mean of all the 7 billion people in the world I got to have her as my mom? She’s beautiful, so very sweet, loving in every sense, competitive but no ego, fun fun fun, loved to laugh, I can still hear that cackle and also her goofy laugh when she’d put her hand over her mouth when I wondered how, when I pulled dad’s finger as a kid, no matter what pattern or length of pull, he always matched it perfectly! Yes I will miss you, heck I’ve thought “oh, I should or I need to call mom!”..... oh right.... But I’m not going to let now trump forever! It took 34 years for me to see, some longer, some never see that this life is only temporary, even if you lived to be 200, that’s but a blip of forever & I’m assured (for 6 years now) that God is in control & he gives us this short window called life to manifest and multiply his image, which is Love! And though she didn’t like to talk about it, I know of no other person who showed more compassion, unwavering affection and selfless beyond comprehension for not only us but ANYone! I know our spirits will be together again, not hope, I know they will and we will recognize and feel the love the instant our spirits connect! I thank you God for giving me to, of all people, Becky Dupre from South Louisiana and had her meet David Avrard who then had two sons..... and I was one of em!!! Wow! Thank you so much for letting me spend 40 years with her! For that I’m so very grateful, thankful, appreciative and every word that says thank you! And keep our focus on “forever”! Let our “now” be one of cherished heartfelt memories and reminders of how lucky we were to have mom and I know I speak for Corey and Dad on that! I always knew when I saw those “best mom” stickers and cards and hearts that they were all lies.... The only true one was the one she was holding! Love you mom! It makes total sense that you would go to help prepare the feast for us!! See you soon! Even if it’s 60 years away! A mere blip

“ I am so sorry to hear about your loss. I am not sure if you know but Becky was also an awesome bumper pool player. My husband and I used to play against her and David back in the 1970's at Fat Harry's. We had some wonderful times and then life got in the way! I will keep your family in my prayers! RIP Becky! “ Every Friday when I went to buy seafood at Dennis's, I saw Becky there for the last 25 years. She would be filling seafood orders for the customers and would always say “Good afternoon, Mr. Casey. Is it time to go home yet?” She was always in a jovial mood. She will be sadly missed by all.

*Though I didn't know Mrs. Avrard, I have had the privilege of teaching her very bright grandson at Rummel. What a wonderful legacy it is to have the acts of kindness you displayed in life live on through the workings of your offspring, and that will certainly be the case here. The entire Rummel community has been enriched by Mrs. Avrard's service over the years, and let me offer our School's most sincere condolences to the whole family. She will be remembered in the Credo Family Rosary, as well as our prayers in school. Brian Credo, M.D.*
