

Benjamin Graham Enault

January 15, 1979 - March 11, 2021

It is with profound sadness that the family of Benjamin Graham Enault announces his death on Thursday, March 11, 2021. A beloved father, son, brother, and grandson, Ben passed away peacefully in his sleep of a heart attack at the age of 42. He is survived by his parents, Mike and Cecelia, his daughter Harper and her mother Cynthia Herrington, his brother Shawn Enault (Michelle) and sister Melissa Hodgson (Ken), his Nana, Rosalie Edwards, several aunts, uncles, nieces and a nephew, and cousins across the country. He was loved and will be missed by a multitude of friends and coworkers.

Ben had an infectious personality and a smile that lit up any room he walked into. From a very young age, he loved anything with wheels. From his first tricycle to the motorcycles he rode, he loved the speed and freedom of the sidewalk or road! Ben loved to cook and was famous for his red beans, gumbo and fried turkey. He was known for some of the best crawfish in town. During his work in the service industry, he met and touched the lives of many. A Memorial and Celebration of Life will be held at L.A. Muhleisen & Son Funeral Home, 2607 Williams Boulevard, Kenner, Louisiana on Saturday June 12, 2021 with visitation from 2:00 p.m. to 4:00 p.m., followed by a Prayer Service at 4:00 p.m.

For those wishing to remember Ben, a Facebook page, "Friends of Ben Enault" has been created with details about a fund that has been created to support his daughter's future needs.

“ *I grew up with Ben. He was my best friend's li'l brother but only a year or so younger he was a friend nonetheless. In our preteen and teenage years he was a bit of a fixture in my life being I was somewhat of one in his brother's. We lost touch as the years turned to adulthood but we made promises to get together again, way back on MySpace! Time is like a thief. I'll forever regret I didn't make my way into Metairie to see him a final time. But I'm betting I'll see him again. My heart urns to. In a place where there is no shadow at all as the light glows perpetually. Until then I'll forever hold the funny times we shared even closer than normal memories, somehow now more special... Love you, Ben.*
