“ *My Uncle Benny was very special to me. I have always held the greatest respect for him because of his kind nature and wisdom as a man of high moral standings. Because of being distance by miles, when I did get to visit a few years ago being around him was a highlight of that trip. The most precious memories was when I'd call to talk to him on the phone he would always answer with a "hey there, Naomi". I am looking forward to the time he is released from his sleep- Like state and is awakened to an earthly paradise. Condolences to Brian, Ben Jr. and Wayne and your wives.*

“ Brother Turner was a remarkable person. Because of his Godly wisdom, he effortlessly became mentor to most he came in contact with, young and old. He knew what to say to reach the heart. His anchor will always remain firm and deep-rooted within all who knew him. "WHEN HE CALLS, YOU WILL ANSWER!!!"
