“ *You were always busy crocheting. You made ponchos, throws, blankets, mermaids and many other things for all of us. I already miss talking to you on the phone and planning our next adventure. I'll miss our trips to JoAnn's, Michael's and Hobby Lobby for supplies to make something creative. Our family dinners will never be the same . I know you are out of pain and are with Our Lord and for that I am grateful. Rest In Peace my sister.*

“ *So very sorry. Beth was a part of our close knit group at Chapelle. We sat outside together every day after lunch. We had parties and spent lots of time together trying to navigate our teenage years.*
