“ *I was Mr and Mrs Craig's next door neighbor from July 1995 until JC passed away and Bettye moved to be closer to her daughter. They were wonderful neighbors and I miss them very much. They looked out for me and my kids since I was a single mom buying her first home. I used to tease them all the time about how they used to put me to shame by washing their windows and keeping their yard so neat. I am very sorry for your loss.*
