“ *Chris, last time I saw your dad we were at an American Legion function. He spotted me and he hugged me that big bear hug . We talked for a long time. We laughed over silly stuff .(monica) and lamarque ford and about you and he was so very proud of you. Then he said he was going to play golf. I will not be able to attend the services but want you know he will always remain in my hart for being a wonderful man and most of all a true friend. I will miss him.*
