“ To Bonnie's family:

I knew Bonnie from SJA, New Orleans. When we were in 4th or 5th grade and she was a boarder, I was her "little friend" she invited to the Halloween party the sisters gave the boarders. I felt very honored to be invited. I don't remember how Bonnie dressed but I dressed as a pirate (blue jeans, a striped shirt and an eye patch). We bobbed for apples and ate candied apples and popcorn and played games.

Later my family moved to North Carolina for 3 years. I returned to SJA for high school where Bonnie and I were in classes together again. I thought Bonnie was a very special person all the years I knew her. She was loving and good.

I hope you will feel great consolation with your memories of your mom and grandmother. I am unable to attend her funeral Mass but will be offering all my Masses this week for her and for all of you,.

*With love and prayers for you,
