“ *To my beautiful godson Brady..it takes my breath away when I think of never seeing you again, yet I want to wring your neck for everything you put your mom and us through this week. I love you so much and never took for granted one second I spent on this earth with you. Fly high with God in heaven and put in a good word for me. To infinity and beyond, Brady. To my unbelievably strong sister, Kerri..you were an amazing mom to Brady. You were the parent he needed in this life. We will get you through this heartache and pain, I promise. I love you.*

“ *Our family's hearts ache for your family. I will remember Brady playing basketball with Cole, even though Cole was a few years younger. Cole truly enjoyed the time he spent with Brady. God Bless Brady and his entire family. Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. Amen*

“ One memory I have of Brady was when Sophie and I were hanging out and prank calling people. We got Brady to help us and it was one of the funniest things ever. We were messing with people and it was just a lot of fun prank calling. I have been praying for you guys and I am so sorry for the loss❤️
