

## Brandi Lynn Dwyer

August 27, 1981 - December 28, 2020

Brandi Lynn Dwyer passed away on Monday, December 28, 2020 at the age of 39. She was a native of Metairie, LA.

Beloved daughter of Debra Lynn Dwyer, her loudest cheerleader. Loving sister of Brittany Gaudet Spears, her comfort and confidant. Devoted Aunt of Nick and Brody Spears, the sparkles of her eyes. Also survived by her Uncles, Danny Dwyer (recently deceased wife, Missy) and Terry Dwyer (Jaimie). Her Aunt, Vicki Bruno (Terry). Numerous cousins and a ton of friends.

She is preceded in death by her Grandparents, Harold F. "Buck" Dwyer (her Father Figure) and Alma Lavonne "Peggy" Dwyer.

Since a young child, writing poetry was her passion. She was quirky, full of her own uniqueness, marched to her own beat, loved her family and friends hard, especially her nephews, and they loved her unconditionally. She thoroughly enjoyed Riley, our dog, taking HER for walks. She fought a long battle with addiction, always with high hopes of recovery. Unfortunately, temptation was stronger than her own strength. She will be missed deeply by many. She is now at peace and feels no pain from the ones that hurt her Soul.

Special thanks to her sister Brittany, for being my backbone during this most difficult time. To all her friends and acquaintances who contributed to her GoFundMe.com page. Also, Crescent Care, Ochsner Hospital, River Oaks Rehabilitation Center, and Grace House of New Orleans.

“ *Hey B.....Can't believe tomorrow (8-27) will make your 2nd Heavenly Birthday, and Christmas. My heart is torn to pieces, I miss you so much. We are going to release balloons tomorrow, it would be so nice if the birds would come to bring them to you. That was amazing at your funeral. I still have people asking me, how much did you pay for the doves? I say, Nothing, they were a Gift from God, just like you were!!! Have a Happy Birthday!!!! Give Granny and Papa a huge hug for me.*

“ How great is the void in my heart now that you are gone. I am so grateful to GOD for allowing me time to spend with you. The times we have shared will forever remain in my heart. My most precious moment with you was the afternoon we saw a beautiful triple rainbow in the sky. I told you about the cord of three strands that are not easily broken. You put your head on my shoulder and said Aunt Trish I'm so tired. Well baby, now you can rest while surrounded by radiance in embrace in the love of GOD. Thank you for shining your light in my life. You have touched my life in so many ways and you will be missed. This is not goodbye, as I will see you again.

*Love you baby, Aunt Trish<3*

“ She was a amazing person who will truly be missed. I have lots of great memories with her. But the one that stands out the most is when she came to my dad's house in Covington. And it was summer time so it was hot and she and my kid's wanted to go swimming. So they filled up these storage container tubs with water and she was in the tubs with my babies acting like they were swimming. Her and my babies had so much fun together that day and my babies just loved her and she loved my babies. They called her aunt Brandi and she loved that. I'm gonna miss you my girl fly high.

“ *Brandi has lived a life of pain and suffering trying to win the war against her demons. In the end they won. She is finally at peace now with her Poppa and Granny who loved her so well. For Debra the end of a never ending nightmare. The years of relentless heartache and worry. Well worry no more for she is with her Lord and savior where she is safe from all harm. Forever at peace Brandi. Amen. Your cousin Loretta*

*Brandi was born a beautiful and a pure child. She wanted to be loved and she was deeply by all her family. Under her addiction was a beautiful soul wanting to break free. Be not afraid, Brandi for your soul is free and happy with granny and papa and loved ones gone before you. May Jesus hold you in the palm of his hand and give you everlasting love for eternity. Your misery on earth is done. Your journey to heaven is your just reward for trying so hard to beat this addiction and for the love you had for Jesus. I know our Lord has heard your pleas of help and forgiveness through your prayers and through your family's prayers. I know now where you are and you are safe, free and happy. I will always love and miss you. Love, Nanny*

*To my sister, Debra, as we say to Brandi, Rest In Peace, I am thinking and praying for you as well. Your heart is broken and I hope sweet memories Of her and knowing that her soul is free and with mama and daddy and Jesus that this could seal the cracks of your heart and help you to mend the hurt. Our prayers were always to please let her beat this and live a happy life. While that Was not the answer from God, I would find comfort in knowing that God used these prayers in other blessings that brandi and all of us don't even know that kept her protected from many other things that could have caused her harm. I wish you peace in your heart and life and my love as you continue to heal. God be with you.. Love, Vicki*
