

Brian Hanley Bordes

July 23, 1957 - June 27, 2022

Brian Hanley Bordes was born in New Orleans, LA, was a resident of Metairie, LA, and graduate of East Jefferson High School.

Brian was a quiet and humble man that won people over with his kindness and wit. In his younger years he developed his love for sports and his passion for basketball above all else. He played at Johnny Bright playground where he made many lifelong friends and his coach became a mentor and like a second father to him. His passion for basketball exploded into coaching youth. He began his coaching career with the 18 and up boys' team, but his true joy was found during the decades he spent coaching girls' basketball within Jefferson Parish Recreation Department and several AAU teams. He was an incredibly smart man who knew countless fun facts and just about every sports statistic there was. He was wildly competitive, and rarely lost when challenged to a game of Scrabble or trivia. He loved music, and was a self-proclaimed master at "Name That Tune." His intelligence helped him succeed in his career in insurance where he became a Senior Analyst and had the opportunity to travel the country. He was exceptionally proud that he had visited 49 of the 50 states, missing only a visit to the state of Montana. Brian enjoyed reading, word puzzles, drinking coffee and spending time at the house with his wife, five children, extended family, and his dog Penelope.

Beloved husband of Christi Nash Bordes. Loving father of Lindsey Bordes, Abby Bordes, Cole Bordes, Ali Rae Sheppard (Jacqueline), Jenna Sheppard and Penelope Bordes (Fur-Baby). Son of the late John Horace Bordes, Sr.

and Zoe Anne Hanley Bordes. Brother of John Bordes, Jr., Daniel Bordes, Zoe Aldige and the late Scott Bordes, David Bordes and James Bordes. In-law of Mr. & Mrs. Charles Nash,, Mr. & Mrs. Bryan Hale and Mr. & Mrs. David Dunn. Also survived and loved by many nieces and nephews, family members and countless players in the J.P.R.D. family.

“ Dear Christi, Lindsey, Abby, Cole, Ali Rae, Jenna, and the entire Bordes family, I was deeply saddened to come across Brian’s obituary today—years after his passing in 2022—and my heart goes out to all of you. Brian Hanley Bordes was one of my oldest and dearest friends from childhood in the New Orleans area. We grew up together, hung out as best friends before high school, and were three peas in a pod with our buddy Mark Schmitt. We shared so many great moments playing ball at Johnny Bright playground, where Brian’s love for basketball shone even then. I used to hang out by his mom’s house after school, and those times were some of the best of my young life—full of laughter, friendly competition, and just being kids. Life pulled us in different directions, especially after Hurricane Katrina scattered so many of us, and we completely lost touch. I regret that I never got to reconnect, meet his wonderful wife Christi, or know his five incredible children (and Penelope, the beloved fur-baby). Reading about Brian’s life—his quiet kindness, sharp wit, decades of coaching girls’ basketball with such passion, his trivia mastery, travels to 49 states, and the joy he found in family, music, puzzles, and coffee—brought back floods of memories and made me smile through the tears. He clearly grew into an exceptional man who touched so many lives, especially those young players who looked up to him like family. Though it’s far too late, please know how much Brian meant to me and how grateful I am for the friendship we shared. My thoughts and prayers are with you all during this ongoing time of remembrance. I hope this message brings even a small measure of comfort, knowing his early years left such a positive mark on at least one old friend. With deepest sympathy and fond memories. I loved Brian.
