“ *Great memories I remember when I think of Bruce. Always there when me and my children were in need. I will remember our phone chats. He always called to make sure my husband and I were doing ok and it was he that was the sick one. I am proud to have had him in my family. Always smiling never heard him complain and always giving courage to us. He always said "How Great It Is to still be here at my age" He knew his time had come and faced it like a man. Bruce was one of a kind and will be sorely missed by many. To his children I can say I Love Each of You very much and I am here for you anytime. Keep the good memories in your hearts this will last forever. Amen. Marie*
