“ *I worked with Bryan at New Orleans International Airport. He with Delta Airlines and I with National Airlines for 20 years. Although I must confess it was not like going to work, it was like going to play. We had so much fun together. We were one big family constantly playing jokes one each other as well as with passengers. Part of our gang of pranksters from National Airlines were Larry Hooper, Robert Gardner, Dimples (who is guy), Jerry Becnel, Vic Dean and a long list of others.*

*Allow me to extend my deepest condolences to the Jacob family.  
Rest in peace dear friend.*
